

Gregg L. Zepp II

CISSP, LPT, ECSA, CEH, CPT, MCSA, CNDA, CCA, CIW, CAS, Network+, i-Net+, A+

Phone: (571) 572-2497 Email: glzepp@comcast.net

Host & Networking Competencies:

Security Assessments:	WebInspect, HailStorm, Retina, Nmap, Nessus, Netcat, Metasploit, Kismet
Authentication Security:	John the Ripper, HydraGTK, Cain & Abel, Aircrack, Aircrack-ng
Reverse Engineering:	Microsoft Debug, WinHex, OllyDbg
Operating Systems:	All Windows, DOS, Red Hat, Fedora, CentOS, Sun Solaris, Cisco IOS's, Backtrack
Server Applications:	Active Directory, SQL, Veritas, IIS, Ghost, SharePoint, Citrix Presentation Server
Networking Equipment:	Cisco PIX/ASA, Switches, Routers, Netgear, Sonicwall, HP & Dell Servers, & desktops

Software & Design Competencies:

Website Design:	HTML, XML, FrontPage, Go Live, Dreamweaver, Fireworks, Flash, CIW certified
Graphic & Image Editors:	PhotoShop, Illustrator, Corel Draw, PhotoDraw, Paint Shop Pro
Communications/CRM:	Data Mining CRM, IRIS, FAS accounting, Microsoft Office, Open Office
Programming:	Java & JavaScript, familiar with .NET, & Appscan & Fortify code security tools

Professional Experience:

Jan 2007-Present

Associate

Booz Allen Hamilton, Cyber Security Specialist

Achievements

Led 3 Govt web projects successfully through to accreditation valued at over \$20 million and managed multiple security teams.

- **Information Assurance Manager (IAM)** for government related web-based projects.
- **Senior Cyber Security Engineer** for penetration testing of Windows hosts & Unix hosts.
- **Information Assurance Lead & Systems Engineer** for 4 web development teams implementing thousands of security controls, registry settings, OS policies across enclaves.
- **Deputy Operations Manager** for NIST National Vulnerabilities Database (NVD) project.
- Contributor to sections of NIST 800-115: Guide to Info Security Testing draft.
- **Lead Systems Security Validator** assessing DoD systems for security compliance.
- Collaborated with NIST & other security agencies creating new vulnerability classifications.
- Performance Awards 2007, 2008, 2009 (Promoted), 2010 (Govt Agency Excellence Award).

Feb 2006-Jan 2007

Security Operations Engineer

Endeavor Systems

Achievements

Caught error by outside contractor resulting in the correction of 400+ HIPS monitoring agents.

- Lead in evaluating new IDS server-based products and support of their current IDS/IPS system.
- Managed Intrusion Detection system, examining logs, monitoring and fixing agents as needed.
- Assisted in LAN/WAN redesign for Security Computer Lab and router & switch mgmt.
- Responsible for security testing using tools such as Nessus, Ethereal, Netcat, and Metasploit.
- Daily use of encryption communication products such as Entrust, PGP and OpenSSH.

Nov 2004-Dec 2005

Network Engineer/Administrator & Web Specialist

Achievements

Doubled number of servers, faster web site response, improved internet security, Cisco ASA Mgmt, and caught over \$5,000 in billing errors to the dept.

United Way of Central Maryland, IT Department

- One of 2 Managers for WAN network of 150+ user network with several remote locations.
- Setup e-commerce Verisign secure servers, IIS, PKI/secure certificate management.
- Management of Cisco Routers, Switches, ASA firewall and end users' VPN configurations.
- Created anti-spyware plan, spam filtering, manage MX, NS, A, CNAME and DNS issues.
- Redesigned new Intranet site and assisted with launch of new Internet website.
- Awarded two raises and a Performance Bonus.

EDUCATION / CERTIFICATIONS:

Johns Hopkins University: May 2012	Masters of Information Systems Engineering - concentrations in IT Security and Web Development. Courses: Intro to Java; Data Structures, Info Systems Engineering, Technical Ventures, Software Engineering, Embedded Systems Security, Info Assurance, Network Security, PKI, Web Development, & Web Application Security.
InfoSec Training: Passed exam Sept 2010, Licensed: 2011	ECSCA – EC-Council Security Analyst, LPT - Licensed Penetration Tester
InfoSec Training: Passed exam Jan 2009, 2011	CEH – Certified Ethical Hacker, CNDA - Network Defense Architect CPT – Certified Penetration Tester - passed 50 question exam and practicum of breaking into two machines achieving root access (Info Assurance Cert Review Board)
Independent Study: awarded July 2008	CISSP – Certified Information Systems Security Professional
Independent Study: awarded May 2008	CAS – Certified Anti-Terrorism Specialist (Anti-Terrorism Accreditation Board)
System Source Training Program: awarded November 2005	CCA - Citrix Certified Administrator Completed Citrix courses CTX-1255, 1455, & 1256 and passed exams.
Computer Learning Institute & Independent Study: June 2000 - July 2003	MCSA : Microsoft Certified Systems Administrator (5 out of 5 exams) A+, Network+, i-Net+ CompTIA Certified & Webmaster Certified (CIW) Trained for Microsoft Certified Systems Engineer: MCSE + Internet
University of Maryland, UMBC: September 1999 - December 1999	Web Systems Specialist Certifications Web II & III Client & Server side applications; JPEG & GIF design, JavaScript; Access, Active Server Pages, VBScript, Cold Fusion, PKI, FTP, XML; DHTML
Pennsylvania State University: Double Bachelor's Degrees University Park, PA, 1996	B.S. in Management & Organizational Psychology with a Business Minor. B.S. in Business Pre-Law. (Add'l courses in Marketing, Accounting, Economics) Cum GPA: 3.47; <i>Dean's List 1991,92,94,95</i> (2 scholarships / 3 national honors)

AWARDS:

Selected for EC-Council's "Roll of Honor" (only 3% of those earning their certifications are selected), 2011
Delivery Excellence Award by government agency, 2010
Awards for Outstanding Performance, 2007, 2008, 2009, 2010
Promoted from Senior Consultant to Associate, 2009
Promoted to Deputy Operations Manager for NIST NVD project, 2007
Promoted to Quality Assurance Analyst for NVD project, 2007
Two raises and a Performance Bonus awarded, 2005
Promoted to Level 3 Technician, 2003; Promoted to Level 4 Technician, 2004
Awarded the most Connector Awards in the Comcast Internet dept for network troubleshooting, 2002-2003
"Whatever it Takes" Technical Service Award, 2001
Raving Fans Service District Award, 2000
Industrial/Organizational Advisory Board Scholarship, 1995
Golden Key National Honor Society, 1994 & Psi-Chi, national honor society, 1994
Phi Eta Sigma, national honor society for college freshmen, 1994
H.M. Rehmeyer Education Scholarship, 1992
Student Government's Campus Service Award for Peer Leadership, 1992

PERFORMANCE ACCOLADES:

"Gregg is a fine example of blending high energy, high ability, and high commitment."

- Rick Jacobs, Associate Professor

"Gregg is a competitive, results driven Manager who has shown initiative, innovativeness, and good follow-up."

- Nicholas DiBucci, Assistant Manager

"Gregg is never satisfied. He is constantly looking forward into ways he can improve things."

- Bill Frantz, General Manager
